

Katie O'Keefe and Cody Davis

SEPTEMBER 6, 2008 • PHOTOGRAPHY BY DAN HARRIS PHOTOART, LLC

Cody and I started dating one summer while I was home from college. We spent the next two years in a long-distance relationship, driving back and forth to see each other on the weekends. We bought a house together in St. Augustine, but I still had another semester of classes to finish before graduation. One weekend, I drove back early to surprise Cody at home. Instead, he surprised me with **the most romantic proposal!** He was waiting at the top of the stairs, which were covered in red roses, and had tied the ring to a teddy bear. He had even set up a camera to videotape himself getting down on one knee! We set the date for exactly one year after the engagement. I always wanted the pastor I had grown up with to marry me. Luckily, my fiancé agreed to meet with him for pre-marital counseling: two hours every Sunday for 12 weeks!

The beautiful ceremony took place at Ponte Vedra Presbyterian Church. Cody and I fell in love with TPC Sawgrass as our reception venue, mainly because the view from the balcony was so breathtaking; we knew it would be the perfect backdrop to our evening wedding...not to mention the incredible food! Lynette and Judy at Rose of Sharon took inspiration from our engagement and incorporated red and white roses into every aspect of the decor. Our band, KTG, kept everyone on their feet all night. Our 200 guests raved about the bride's and groom's cakes that Classic Cakes had provided for us.

The entire wedding was such a blur. I probably would not remember much of it if it wasn't for Dan Harris and his team working to capture every moment. I could not have dreamed for a better photographer. Dan worked with us through the whole process, from taking our engagement photos, to creating save-the-date cards, to viewing all 2,127 edited proofs from the big day, and finally, to creating our priceless wedding album. He even brought in the best entertainment for the reception - his photobooth, where guests could hop in and receive their pictures seconds after they were taken (the perfect wedding favor!). We are so fortunate that Dan Harris PhotoArt took care of all the details so we could enjoy **the most important day of our lives, stress-free!**
