When Scott proposed to me on a working vacation in Crete, we decided we would stay in our home town area of Jacksonville, Florida to wed. We wanted to do something fun and free-spirited, something that would capture our laid back and fun personalities. We chose to have our ceremony and reception on board the Annabelle Lee riverboat. The catering the DJ and the wedding planner were all taken care of by River Cruises Inc. After visiting a wedding expo and being bombarded by vendors I chose Dan Harris PhotoArt as my photographer. His display was calm and inviting, and his work very sophisticated.

Everything went off without a hitch. The bridesmaids were radiant in lavender, while the groomsmen were classy and crisp. Dan Harris spent minimal time on our poses, and captured the true essence of the party going on. He caught every detail on film, from cruising through downtown to the sparkler farewell. Mr. Harris made our wedding photography laid back and fun. If you are looking for a stress-free professional photographer who will deliver exquisite photos. Dan Harris

PhotoArt is the place to go.
